

Presentation Pack by Decisions

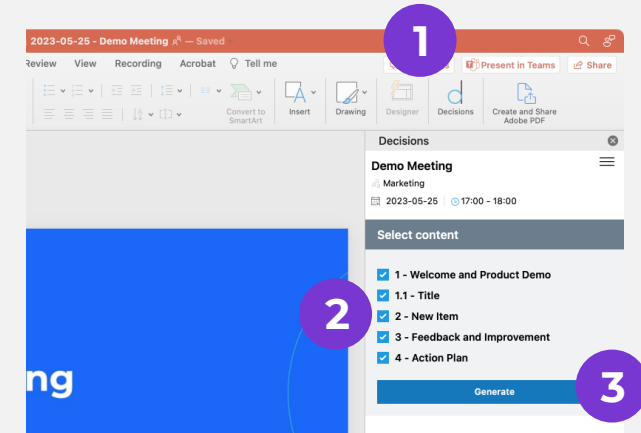

Turn your agenda into a PowerPoint presentation in seconds.

One-click integration of meeting agenda and attachments

Drive and present meetings with a unified presentation

Before you start, ensure that the Decisions add-in is installed:

- [Download the add-in from AppSource](#)
- Or, [have IT centrally deploy the add-in](#)

Once the add-in is installed, follow these steps:

1. Click the Decisions add-in button in your toolbar.
2. Select the content you want to include in your Presentation Pack.
3. Hit the 'Generate' button to create your consolidated presentation.
4. Start your meeting with your all-in-one Presentation Pack.
